### **Ein Bericht aus unserer Schule vom Direktor Mr. Joseck Githua**

Kindly get a brief report about the progress of our school.

Diani Busara Junior school is like a home to many needy kids. Many kids call it their second home. Its the only place where they get reliable breakfast and lunch. Many come to school in the morning having taken no breakfast. We provide rich porridge at 10am, lunch and two fruits per week. Our food is the best in terms of value and quantity. Special thanks to those who have been donating for milk and fruits. Our school is there for such kids.

Our school is now the talk of everybody. Every other school admires everything about our school. Our academics standards are very high. Our last year's candidates did very well with all passing and 8 of them getting scholarship by local government and other helping bodies. All the rest went to good high schools and one joined politecnic.

Our new school bus is one of the greatest achievements. This has made possible for our kids to be ferried to and from school comfortably and in good time. To the bus donors, we

say a big THANKYOU. The street to school has also been made. This is a very big plus to our school.

The number of sponsored kids has increased giving future hope to the kids who would have ended up as street children and drug abusers. It is my wish that one day all our kids get full sponsorship. It pains me a lot when we send kids home for unpaid fees. They go home crying. Poor my lovely kids!!!! Most of our parents work in tourism industry which is now almost at 0%. To them even feeding their families is now a big task.

Music lessons are in progress and kids enjoy very much. Unfortunately the music equipment not enough. We have two guitars and several flutes. We wish we could have saxophones and a piano. Deutsche lessons are progressing well. Thanks to our volunteers for the boost they give to our regular Deutsche teacher.

Our scouts are the best. All dressed in scouts uniform and excellent marching make all admire them. They emerge the best in every contest. They have really made our school's name shine high.

I cannot forget to thank all donors and sponsors for the holiday food packages to our needy kids The best Christmas gift last year was the food package. I wish they can just be there to see the happiness in our kids and their parents. It goes a long mile in ensuring that our kids are healthy and ready for the following school term.

Our kids now enjoy reading story books and other educative books from our library. This has not only created enjoyment but also improved their grammar, their reading skills and creativity. We say THANKYOU to all those who have donated these very important books.

Solar panels have really helped the school. Earlier on we used to experience a big problem during blackouts which are very regular here.

This year we will have all our kids go on an educational excursion. So far our baby class and Kgs have already had their very successful trips. Soon our class 4 will visit Shimba Hills National park.

Holiday activities that we used to have were very successful and kids really enjoyed. Unfortunately the government directed that all kids should rest during the holiday and therefore we had to stop.

On behalf of the kids of our school, staff and parents I sincerely thank all those who have made our kids smile and our school shine the way it does.

LONG LIFE DIANI BUSARA JUNIOR SCHOOL.  
LONG LIFE FUTURE FOR KIDS e.V GERMANY.

### **TOLLES NEUES VOLONTÄRHAUS!!**

Anfang Dezember ist auch der Umzug in ein schöneres, neues und größeres Volontärhaus erfolgt! DANKE Markus Krimphove! Er hat das neue Haus gesucht und den Umzug organisiert. Jetzt liegt es günstig zwischen Ukunda ( Schule) und Diani ( Beach) an unserer Schulbuslinie und auch noch hinter einem Hotel, wo man gegen Gebühr den Pool benutzen darf. Die Einrichtung wurde auch kräftig aufgefrischt mit neuer Sofasitzgruppe, neuen Matratzen, Moskitonetzen, einem sehr großen Kühlschrank und neuen Küchensachen, neuen Gardinen und Deko. Jetzt ist es ein schönes Haus zum Wohlfühlen für unsere vielen Volontäre in diesem Jahr!
